

COURTESY CALL BY THE COUNCIL OF THE LAW SOCIETY OF KENYA

The Council of the Law Society of Kenya, led by its President Eric Theuri, paid courtesy to the Honorable Attorney General today. During their deliberations, the LSK president acknowledged the importance of the Attorney General's office and further bolstered the mandate bestowed upon him by Executive Order No. 2 of 2013, under which he performs the functions of a Cabinet Secretary in relation to the Department of Justices.

He was grateful for the kind reception they received from the Attorney General and the Solicitor General. The two sides discussed matters related to cross-border practice, legal education, State Counsel, and the welfare of government in-house Counsel.

The Attorney General congratulated the Council Members on their election to this important position and encouraged them to maintain professionalism in the performance of their duties and to always work to uphold the rule of law. He urged the LSK president and his team to strive toward uniting the bar's members and demonstrate a high level of integrity, noting that they are the public's trustees and should try to uplift one another. He promised them his full support.

Given that they are the trustees for the people of Kenya in terms of advocating for the rule of law, they formed a joint working team to make it easier to consult with one another.
